“ In the picture with grandma on the mic the caption in my book said:  
"Grandma and I at my graduation party. This was actually quite an  
embarrassing moment since she picked up the mic and started  
talking when the DJ left his equipment to go pick up props!"

*That is so grandma! She literally saw an opportunity when that poor  
man left his stuff unattended! Ha! Love you always grandma, Till we  
meet again:)*

“ I will always remember my time with my mom. She would say the funniest things and sometimes the wrong way because of her strong german accent. I didnt get to spend as much time with her, but the time I had will always be dear to me.

“ You never said "I'm leaving"  
You never said goodbye  
You were gone before I knew it,  
And only God knew why

A million times I needed you,  
A million times I cried  
If Love alone could have saved you,  
You never would have died

In Life I loved you dearly  
In death I love you still  
In my heart you hold a place,  
That no one could ever fill.

“ *Mom was spunky and full of life. Her laughter is contagious and you can't help but laugh with her. She never forgot birthdays, anniversary and more. We have so many memories it's hard to pick one. She danced at Amber's graduation, at Heather's wedding and just loved having fun. We love her so very much. Dawn and son, Andre*

“ *You will be missed. My favorite memory is when grandma drove the big tractor at Camp Kern. She laughed so much and the day was sunny. We had so much fun with her and love when she cooked, I would get the turkey leg every time. Jason Pomaika'i Otineru. Aloha oe grandma*
