“ *Adrian, we are so sorry for your loss. We have such fond memories of you and Noreen who made us feel welcome when we moved in across the street from you in 1994. We can still see Noreen walking your dog, Suzy. Your care for her over the years of her illness is an example of true love for all of us to look up to.*

We are sorry to miss her memorial services because we are in California with family for Thanksgiving. You and your family will be in our thoughts and prayers.

*With Sincere Condolences,
Bob and Jenny Horn*
