“ *So very sorry for your loss and will pray for all of you and wish you strength and peace. My memory of Zach is coming through the front door, seeking me out and always giving me a hug with a huge smile on his face. And when he left, he always made a point to come and thank me for everything, even if I did nothing but offer him something to drink. He had a beautiful smile and twinkle in his eye when he told me about meeting a girl named Hannah. I loved seeing that. My deepest sympathies ...*
